Nikola Kočović

Belgrade, Serbia | koljakocovic1@gmail.com | github.com/NKocovic

EDUCATION

Mathematical Grammar School, Belgrade 09.2023 – 06.2027 (expected)
GPA 5.00 / 5.00. Extracurricular: school concerts and plays.

WORK AND RESEARCH EXPERIENCE

AIPhO, problem writer 11.2026 – present
Writing physics problems for a benchmark that tests future AI models.

AriesAI, research intern 10.2026 – present
Serbian speech recognition (ASR): identifying and cleaning Serbian speech datasets, testing Whisper models on them, and building a metric for judging transcript quality.

Mathematical Grammar School, olympiad classes 2026 – present
Extra physics classes (dodatna nastava) for students preparing for olympiads.

Tutor 03.2024 – present
Physics and mathematics lessons for advanced students.

Akronolo 08.2023 – present
Built the company website from scratch and maintain it.

PROJECTS

Software
Simulation of a damped Euler beam, Unity games (a Tetris clone and a bot that plays it), and a machine-learning program that answers history questions.

Teaching materials
Original materials for national and international physics competition preparation, and extra materials for classmates.

COMPETITIONS

International

IPhO – silver medal (Colombia) 2026
IYPT – qualified for the world final (Zurich) 2026
NBPhO – gold medal, 10th of 120+ contestants 2026
Fyziklani – 1st place of 300+ teams 2026
Physics Brawl Online – 4th place of 1000+ teams 2025

National (Serbian Physical Society and Spinor)

Serbian Physics Olympiad – 2nd prize (Year 4 category, while in Year 3) 2026
IYPT national selection – 1st place (team); best presenter and reviewer 2026
IPhO national selection – 12th place (Year 4 category, while in Year 2) 2025
National competition – 2nd prize 2024
IYPT national selection – 3rd place (team); best reviewer 2024

SKILLS AND LANGUAGES

Programming	Python, C++, C#, Swift, Dart, JavaScript, HTML, CSS, Assembly, LaTeX
Tools	PyTorch, Git, Bash, Vim, Unity, Photoshop
Languages	Serbian and Russian (native), English (advanced), French (conversational)

INTERESTS

Music	piano, guitar, opera singing (performances in Serbia and abroad), composition (semi-finalist, Andrija Čikić competition)
Sport	karate (black belt, 1st dan), skiing, tennis, golf
Other	painting, writing poems (won a competition and a visit to Hilandar), TV promotion of the school
